Any student or parent/guardian who believes that a student~~he/she~~ has been subjected to sexual harassment by another student, an employee, or a third party or who has witnessed sexual harassment is strongly encouraged to report the incident to his/her teacher, the principal, the district's Title IX Coordinator, or any other available school employee. Within one school day of receiving such a report, the school employee shall forward the report to the district's Title IX Coordinator ~~principal or the district's compliance officer identified in AR 1312.3~~. In addition, any school employee who observes an incident of sexual harassment involving a student shall, within one school day, report their ~~his/her~~ observation to the principal or a district compliance officer. The report shall be made regardless of whether the alleged victim files a formal complaint or requests confidentiality. ~~The employee shall take these actions, whether or not the alleged victim files a complaint.~~

When a report or complaint of sexual harassment involves off-campus conduct, ~~the principal the~~ Title IX Coordinator, site administrator, or designee shall assess whether the conduct may create or contribute to the creation of a hostile school environment. If ~~he/she~~ the Title IX Coordinator or designee determines that a hostile environment may be created, the complaint shall be investigated and resolved in the same manner as if the prohibited conduct occurred at school.

When a verbal or informal report of sexual harassment is submitted, the ~~principal or compliance officer~~ Title IX Coordinator shall inform the student or parent/guardian of the right to file a formal written complaint in accordance with the applicable district ~~uniform~~ complaint procedures. ~~Regardless of whether a formal complaint is filed, the principal or compliance officer shall take steps to investigate the allegations and, if sexual harassment is found, shall take prompt action to stop it, prevent recurrence, and address any continuing effects.~~

If a complaint of sexual harassment is initially submitted to the principal, he/she shall, within two school days, forward the report to the compliance officer to initiate investigation of the complaint. The compliance officer shall contact the complainant and investigate and resolve the complaint in accordance with law and district procedures specified in AR 1312.3.

In investigating a sexual harassment complaint, evidence of past sexual relationships of the victim shall not be considered, except to the extent that such evidence may relate to the victim's prior relationship with the respondent.

In any case of sexual harassment involving the principal, compliance officer, or any other person to whom the incident would ordinarily be reported or filed, the report may instead be submitted to the Superintendent or designee who shall determine who will investigate the complaint.

### Complaint Procedures

All complaints and allegations of sexual harassment by and against students shall be investigated and resolved in accordance with law and district procedures. The Title IX Coordinator, site administrator, or designee shall review the allegations to determine the applicable procedure for responding to the complaint. (cf. 5141.4 - Child Abuse Prevention and Reporting)

### Response Pending Investigation

When an incident of sexual harassment is reported, the principal or designee, in consultation with the compliance officer, shall determine whether interim measures are necessary pending the results of the investigation. The principal/designee or compliance officer shall take immediate measures necessary to stop the harassment and protect students and/or ensure their access to the educational program. To the extent possible, such interim measures shall not disadvantage the complainant or victim of the alleged harassment. Interim measures may include placing the individuals involved in separate classes or transferring a student to a class taught by a different teacher, in accordance with law and Board policy. The school should notify the individual who was harassed of his/her options to avoid contact with the alleged harasser and allow the complainant to change academic and extracurricular arrangements as appropriate. The school should also ensure that the complainant is aware of the resources and assistance, such as counseling, that are available to him/her. As appropriate, such actions shall be considered even when a student chooses to not file a formal complaint or the sexual harassment occurs off school grounds or outside school sponsored or school-related programs or activities.
