

# Daniela Molina

STUDENT OF THE MONTH

**Mountain View High School**

October 2020

Senior

---

Mountain View High School is proud to present Daniela Molina, Mountain View High School's October Student of the Month. Daniela is a remarkable student at Mountain View High. The classes she has enrolled in this year are AVID, Physics, Calculus, AP Literature, and AP Gov/Macro.

Along with balancing all of these classes, Daniela is an active member of the Mountain View community. Outside of the classroom she's a part of the MVHS Cheer team and MVHS Spartan Buddies. Daniela has volunteered in school activities such as the Turkey Trot and Christmas Tree Lot, in order to raise money for the school's athletics and performing arts departments. Additionally, Daniela has been a part of the Peninsula Bridge program since 5th grade, and attends workshops and activities on a weekly basis. Daniela also spends some of her time working at Baskin Robbins in order to save money for college.

In her free time, Daniela enjoys playing with her dog, painting, playing PS4 and hanging out with friends. A fun fact about Daniela is that she loves elephants.

Over the summer, Daniela was supposed to attend a program known as PALS in Los Angeles, where she'd spend a week in a dorm with a child with disabilities, however, due to COVID-19 it was cancelled. Instead, Daniela spent her summer working at both Baskin Robbins and a summer camp known as KIDIZENS, where children build Lego cities and learn more about civics and economics.

In the future, Daniela would love to study criminal justice and prison reform. She hopes to be able to go to college, and pursue criminal law in order to help those falsely accused of crimes and hopefully change the U.S. justice system.

Once again, congratulations to Daniela Molina, Mountain View High School's October Student of the Month.
