

Gabe Selaya
STUDENT OF THE MONTH
Mountain View High School
March 2022

Junior

Mountain View High School is proud to recognize Gabe Selaya as our March 2022 Student of the Month.

Gabe, a junior at MVHS, is a dedicated and uplifting student who is passionate about music and making connections with his peers and teachers. He is involved in school activities such as Spartan Buddies, Pep Band, and Dance Spectrum.

Gabe's greatest passion and first language is music. He does Taiko drumming, conducting, percussion, and formerly, trombone. At school, his band members and instructors genuinely feel as though Gabe makes the Instrumental Music and Performing Arts Department a better place.

Gabe is also an avid MVHS sports fan. At every game, he motivates his peers in the band, as well as the Sixth Man spirit club and the cheer team.

Gabe's teachers describe him as a dynamic young man with a heart of gold who is loved by everyone and a role model for all students at MVHS. He is outgoing, friendly, and school-spirited. He radiates love and compassion for all people and makes the world and MVHS a happier place. When you see him around campus, he's always ready to give you a fist bump or the friendliest wave from a distance.

Gabe is an assistant instructor for the Silicon Valley Down Syndrome Network's Taiko classes outside of school. He also enjoys working out at FiT Los Altos through their FitBuddies program.

Congratulations Gabe!
