

MVLA Board Meeting: April 3, 2023
Administrative Council

Admin Council Established 2022

- Prior to Administrative (Admin) Council was Assistant Principal (AP) Council.
- Challenges were observed with:
 - Not having a common platform to provide PL to all administrators
 - Topics discussed also needed principal input and special ed input
- To build coherence in our system we transformed to Admin Council for this year and moving forward.

Purpose of Admin Council

Bring together district administrators to engage in professional learning, collaboration, problem solving, building systems, to lead a more cohesive educational system that strongly supports our staff, students, and community.

Guiding our work:

- Focusing direction to build collective purpose
- Cultivating collaborative cultures while clarifying individual and team roles
- Deepening learning to accelerate improvement and foster innovation
- Supporting accountability

It is also a forum for communication on issues and trends involving our district.
