Budget Report**

TO: Superintendent and Board of Trustees

SUBJECT: 2024-2025 Second Interim Budget Report

DATE: March 17, 2025

The 2024-2025 Second Interim Budget Report is submitted for your approval. This financial report is based on the latest information and best estimates and reflects the District's financial status as of January 31, 2025. Secured property tax revenue increased by 6.38 percent over the prior year, which was more than the target of 5.5 percent growth that was forecast in the adopted budget. This figure is the same as was reported in the First Interim report. The overall growth reflects the extremely positive residential and commercial property assessed valuations within our District boundaries as well as Santa Clara County-wide. Unsecured property taxes currently show an increase of 3.01 percent, which equates to an increase of \$183,149. This, too, is the same as was reported in the First Interim report. State revenue in the form of the Minimum State Aid (MSA) is flat from the prior year and continues at \$2,979,534. Based on the current short-term agreement, revenue from the Mountain View Shoreline Community Educational Enhancement Reserve JPA is \$4,668,840. Total District general fund revenue from all sources is 3.66 percent greater than the prior year.

The State Educator Effectiveness Grant in 2021-2022 provided \$1,092,424 in revenue with expenditures to be spread over the subsequent five years. Although there is no new revenue for that grant in the current year, the available funds are included in the restricted beginning balance and the current year expenditures are included. The district is projecting that the remaining grant funds will be exhausted by the end of the current fiscal year.

On the expenditure side of the General Fund budget, unrestricted expenditures have increased \$177,305 due to health and welfare benefit costs after the open enrollment period. In addition, the current budget reflects a decrease of \$229,970 in restricted expenditures when compared to the First Interim Report due to the movement of a position, and associated salary and benefit costs, to the unrestricted general fund and small reductions in contributions to restricted resources. The budget shows a restricted fund ending balance and those funds will be spent in subsequent years.

As reported in our Adopted Budget and First Interim Budget reports, we have assigned a portion of our General Fund reserves to expend against future instructional material purchases. The remaining assigned fund balance is applied toward the reserve level set by board policy that calls for two months of operating expenses, which is approximately seventeen percent.

This financial report also includes the other funds outside the General Fund, which are an integral part of the District's finances. Due to the combination of Federal and State funding for universal meals, the Cafeteria Fund is no longer supported by a contribution from the General Fund. This is the fourth straight year in which this is the case. Staff will continue to monitor this situation as the State funding for universal meals continues to be year-to-year and is coordinated with the Federal Meals Program to supplement the cost.

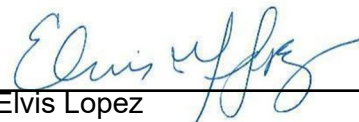

The Adult Education Fund continues to be funded primarily by the Adult Education Block Grant, with a one percent increase from the prior year, which is based on the cost-of-living adjustment (COLA) calculated by the State.

The final component to the 2024-2025 Second Interim Budget Report is the multi-year projection (MYP). Included with this projection are the main assumptions that form the basis of the District's plan to meet its ongoing operational needs. Secured property tax growth is forecast at five percent in 2025-2026 and five percent in 2026-2027. Projected district enrollment decline along with changes in partner district participation in the Middle College and College Now programs reduces certificated staff by three in 2025-2026. Slight enrollment growth increases certificated staffing by one in 2026-2027. Salary negotiations with the district's employee associations are ongoing. As there is no current agreement for 2024-2025 and beyond, no increase in salary schedules is included for those years. A \$200,000 placeholder is included each year to account for anticipated, but yet to be identified, non-personnel cost increases to special education. Health and welfare increases are forecast at ten percent each year.

We trust you will find this Second Interim Budget Report helpful in reviewing the current financial state of the District and determining its ability to maintain fiscal stability into the future.
