Dear Trustees:

On behalf of my colleagues on the Shoreline Regional Park Community Board of Directors, I would like to invite you to a tour of the Shoreline Community. During the Mountain View Whisman School Board's September 7, 2023 discussion about information needs to help support the negotiation of the successor Education Enhancement Reserve Joint Powers Agreement, Board Members expressed an interest in learning more about the Shoreline Community's work on sea level rise protections. A tour would be a great way to see this work in action and learn about other Shoreline Community functions, such as management of the closed landfill and wildlife habitat preservation. The Shoreline Community representatives to the joint agency Ad Hoc Committee would also participate in the tour.

We have identified the following two time options during which staff is available to provide a tour, both on Friday, September 29:

- 9:00 a.m. to 12:00 noon
- 1:00 p.m. to 4:00 p.m.

I have asked Audrey Seymour Ramberg from City staff to follow up with District staff to learn if participating in a tour is of interest and, if so, whether either of these times will work.

Sincerely,
