2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Alta Vista High School (AVHS) is the continuation high school for the Mountain View-Los Altos Union High School District and the Palo Alto Unified School District. The campus is located in a residential neighborhood next to Mountain View High School, and the district office. The school has a capacity of 150 students, grades 9 through 12. Our student demographics on CBEDS day (October 2021) were: 8% Caucasian, 85% Hispanic, 3% African American, 0% Asian, and 4% Others. Males constitute 44% of the student body.

Our staff includes one principal, two special education teachers, five full time teachers, four instructional aides, a community services coordinator, a part time computer technician and an office manager. Additional counseling services are provided by counselors assigned to our campus from the Community Health Awareness Council (CHAC), Advent Counseling Services Uplift Services, and Mentor Tutor Connection. Stanford's Children's Hospital sends the Health Van to our campus every month and their nutritionist is here every week.

Alta Vista High School has been fully accredited by the Western Association of Schools and Colleges since 1999 and we received a clear six year accreditation after our last visit. AVHS has also been recognized as a Model Continuation High School by the State of California since 1999.

Our students must meet the same graduation requirements expected of students at the traditional schools. Special Education classes are available on site for those students who qualify. All courses required for graduation are offered on site. Students may also take additional classes at our local community colleges, adult education center, Moffett Independent Study Program and at the traditional campuses. In addition to passing all required courses, students must also complete a comprehensive Exit Portfolio prior to graduation.

Several of our staff members and our programs have been singled out for honors and awards. Our math instructional aide and our school's administrative assistant have been honored as Classified Persons of the Year and our mentor coordinator was named Support Person of the Year by the California Continuation Education Association (CCEA). Our social studies teacher was named a Teaching Ambassador Fellow with the U.S. Department of Education, serving with distinction in Washington D.C. for a full academic year. Additionally, our principal was named administrator of the year by both CCEA and the Association of California School Administrators (ACSA).

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Alta Vista High School students and staff are enjoying our eleventh year in our beautiful campus. It still looks brand new! The campus features 7 regular classrooms, a library, an art room and technology center, an administrative building, a kitchen and a large multi multi-purpose building with an indoor/outdoor stage. We have our own parking lot and basketball/volleyball court. Our maintenance staff consists of 3 full-time employees who are on duty from 6 am until 11 pm throughout the week. The grounds and all classrooms and facilities are cleaned daily.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

2020-21 Career Technical Education Programs

As a district, we offer two Engineering (STEAM) Academies, a Hospitality Program, and an Academy of Communication, Arts, and Technology (Freestyle). We continue to offer a high-quality curriculum and instruction aligned with the California CTE Model Curriculum Standards. The following CTE program sequences are offered: Engineering Technology (I & II), Robotics (I & II), Culinary Arts (I & II), Digital Media (I & II), Design (I & II), Film Production (I & II), and Animation (I & II). Members of our CTE advisory committees are actively involved in working with students on career plans and serve as guest speakers in classes on a fairly regular basis, as well as advising our staff on curricular issues as well as what type of machinery and equipment to buy to simulate real industry experiences for our students. Our advisory council consists of representatives from all of our offered CTE industries related to our pathways. Industry Advisory members represent regional and local companies such as Google, Adobe, NVIDIA, and The Computer History Museum among others. The district also partners with Earn & Learn, a Bay Area company that specializes in connecting schools to Work-Based-Learning (WBL) opportunities in the community.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Alta Vista High School parents may participate in a variety of ways. The school has a School Improvement Team (SIP) that meets as needed and we have had parent representation on the MVLA Foundation Board. AVHS holds quarterly Parent Nights. These evenings are designed to give parents an opportunity to get to know each other better and to get updates on school activities and to hear guest speakers. The agendas for these meetings include topics covering college entrance, scholarships, community resources services, substance abuse prevention and much more. Parents are also an important part of our frequent school potlucks and BBQs.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

The Board of Trustees for adopted our School Safety Plan on March 22, 2021. Maintaining a climate that is truly conducive to learning is one of our highest priorities. The district supports this effort through rigorous follow-through on recommendations for expulsions and suspensions. The principal works collaboratively with school site staff on developing and enforcing uniform behavioral standards. Because the staff and students have created and maintained a culture of caring on campus, we have just one Action Item from School Safety Plan which is to increase the number of students receiving drug/alcohol services by 50%. A copy of the plan is made available upon request.

2018-19 Secondary Average Class Size and Class Size Distribution

This table displays the 2018-19 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students

2020-21 Types of Services Funded

For a small continuation high school, AVHS offers an amazing array of programs, services and course options to its students, as noted in earlier sections of this document. Most are funded with general fund dollars, however, AVHS also receives generous private donations as a result of its excellent reputation in the community. These private funds are used to further enhance student services and provide scholarships for post-secondary studies.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Student Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
