

Anna (Ani) Yordanova

STUDENT OF THE MONTH

Los Altos High School

September 2024

Los Altos High School is proud to honor Ani Yordanova as our September Student of the Month. It is a privilege to recognize all of her accomplishments throughout her time at Los Altos High School.

Ani is involved in many student-led clubs and organizations. She's part of the National Art Honors Society and National French Honors Society. She's a member of the LAHS investment club, participating in Wharton's Annual Nationwide Stock and Investment Competition. She's also part of the LAHS Science kit, where she assembles handmade science kits for underprivileged children in hope of inspiring an interest in science. During her time in SCL and as a jumpstart mentor, she planned freshman orientation and led the jumpstart mentor program at Los Altos.

Ani loves to learn, having taken 14 honors and AP classes, some of her favorites being Trigonometry Honors, World Lit Honors, AP Biology, and AP US History. Her favorite subject is math, and while Trig Honors took a lot of effort, she found her new knowledge to be very rewarding. AP US History also sparked her interest in international relations and business. She learnt how these worked together to shape the US economy and government.

Outside of school, Ani received the Certificate of Congressional Recognition from Anna Eshoo and is a French Grand Concours National exam bronze and silver medalist. Ani has been dancing for 15 years, competing for 12 and teaching for four. Currently, she is the Miss Dance of America 2024. In the future, she hopes to join a D1 Dance team so she can continue competing. She is thinking of minoring in dance because of her love for the art.

After graduation, Ani hopes to attend a four-year undergraduate university and then get her graduate degree. She hopes to study international business or law. Her interest in business mostly stemmed from her parents. Internationally, she knows four languages and loves to travel, having traveled to over 24 countries.

By the words of her AP Calc BC teacher, Mr. Sproule, Ani has consistently challenged herself both inside and outside the classroom with AP and honors courses along with competitive dance. Ani is a student that he can count on everyday to put in her best, and bring out the best in others by being kind and supportive in their own endeavors. Ani exemplifies the values of LAHS by striving for personal excellence and promoting the excellence of others.

Congratulating Ani, and on behalf of all of LAHS, thank you for making the MVLA district proud of what you bring to every team, classroom, and community you are a part of. We can't wait to see all of the amazing accomplishments coming your way in the near future!
