School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California’s new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California’s diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Alta Vista High School (AVHS) is the continuation high school for the Mountain View-Los Altos Union High School District and the Palo Alto Unified School District. The campus is located in a residential neighborhood next to Mountain View High School, and the district office. The school has a capacity of 150 students, grades 9 through 12. Our student demographics on CBEDS day were: 15% Caucasian, 73% Hispanic, 1% African American, 6% Asian, and 5% Others. Males constitute 58% of the student body.

Our staff includes one principal, two special education teachers, five full time teachers, four instructional aides, a community services coordinator, a part time computer technician and an office manager. Additional counseling services are provided by counselors assigned to our campus from the Community Health Awareness Council (CHAC), Advent Counseling Services Uplift Services, and Mentor Tutor Connection. Stanford's Children's Hospital sends the Health Van to our campus every month and their nutritionist is here every week.

Alta Vista High School has been fully accredited by the Western Association of Schools and Colleges since 1999 and we received a clear six year accreditation after our last visit. AVHS has also been recognized as a Model Continuation High School by the State of California since 1999.

Our students must meet the same graduation requirements expected of students at the traditional schools. Special Education classes are available on site for those students who qualify. All courses required for graduation are offered on site. Students may also take additional classes at our local community colleges, adult education center, Moffett Independent Study Program and at the traditional campuses. In addition to passing all required courses, students must also complete a comprehensive Exit Portfolio prior to graduation.

Several of our staff members and our programs have been singled out for honors and awards. Our math instructional aide and our school's administrative assistant have been honored as Classified Persons of the Year and our mentor coordinator was named Support Person of the Year by the California Continuation Education Association (CCEA). Our social studies teacher was named a Teaching Ambassador Fellow with the U.S. Department of Education, serving with distinction in Washington D.C. for a full academic year. Additionally, our principal was named administrator of the year by both CCEA and the Association of California School Administrators (ACSA).

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs (School Year 2019-2020)

As a district, we offer two Engineering (STEAM) Academies, a Hospitality Program, and an Academy of Communication, Arts, and Technology (Freestyle). We continue to offer a high-quality curriculum and instruction aligned with the California CTE Model Curriculum Standards. The following CTE program sequences are offered: Engineering Technology (I & II), Robotics (I & II), Culinary Arts (I & II), Digital Media (I & II), Design (I & II), Film Production (I & II), and Animation (I & II). Members of our CTE advisory committees are actively involved in working with students on career plans and serve as guest speakers in classes on a fairly regular basis. Our advisory consists of representatives from all of our offered CTE industries from regional and local companies such as Google, Adobe, NVIDIA, and The Computer History Museum.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Alta Vista High School parents may participate in a variety of ways. The school has a School Improvement Team (SIP) that meets as needed and we have had parent representation on the MVLA Foundation Board. AVHS holds quarterly Parent Nights. These evenings are designed to give parents an opportunity to get to know each other better and to get updates on school activities and to hear guest speakers. The agendas for these meetings include topics covering college entrance, scholarships, community resources services, substance abuse prevention and much more. Parents are also an important part of our frequent school potlucks and BBQs.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	6.8	1.1	N/A
Expulsions	0.0	0.0	N/A

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The Board of Trustees for adopted our School Safety Plan on March 9, 2020. Maintaining a climate that is truly conducive to learning is one of our highest priorities. The district supports this effort through rigorous follow-through on recommendations for expulsions and suspensions. The principal works collaboratively with school site staff on developing and enforcing uniform behavioral standards. Because the staff and students have created and maintained a culture of caring on campus, we have just one Action Item from School Safety Plan which is to increase the number of students receiving drug/alcohol services by 50%. A copy of the plan is made available upon request.
