FIRST INTERIM  
REPORT**

**December 2, 2019**

**MOUNTAIN VIEW-LOS ALTOS  
UNION HIGH SCHOOL DISTRICT**

**TO:** Superintendent and Board of Trustees

**SUBJECT:** 2019-2020 First Interim Budget Report

**DATE:** December 2, 2019

The 2019-2020 First Interim Report is submitted for your approval. This financial report is based on the latest information and best estimates. Secured property tax revenue increased by 7.75 percent over the prior year, slightly above the seven percent growth that was forecast in the adopted budget. This growth reflects the extremely positive residential and commercial asset valuations within our District boundaries as well as Santa Clara County-wide. Unsecured property taxes currently show a decrease of 5.61 percent, which equates to a reduction of \$293,000. Unsecured taxes are based on actual collections, however, so it is typical to see a decrease at this point of the year and for that revenue figure to improve as the year progresses. Revenue from the Mountain View Shoreline Community Educational Enhancement Reserve JPA agreement is down slightly from last year, and provides current year revenue of \$2,481,000.

On the expenditure side of the General Fund budget, additional classified staffing, primarily in the form of special education instructional assistants, is contributing to higher expenditures. Planned spending of \$1,077,000 in restricted carryover money is another significant factor. This occurs on an annual basis, when restricted funds, often in the form of donations or other restricted state dollars, are not exhausted in the prior year, resulting in a fund balance that carries forward to the next year. The portion of State Teachers' Retirement System (STRS) costs, contributed by the state on behalf of the district, is \$648,000 higher than at adopted budget. No dollars actually flow through the district, but this calculation shows up on our financial records as revenue and as an offsetting, equal expenditure. At the time of this report, contract negotiations with the district employee associations for the current year have not been completed.

As reported in our adopted budget, we have assigned a portion of our General Fund reserves to expend against future instructional material purchases. The remaining assigned fund balance is applied toward the reserve level set by board policy that calls for the state-required three-percent minimum plus two-months of operating expenses.

This financial report also includes the other funds, which are an integral part of the District's finances. The Cafeteria Fund is once again supported by a contribution from the General Fund. The Adult Education Fund continues to be funded by the Adult Education Block Grant which provides the vast majority of funding for the adult education program expenses. The report also shows the annual required contribution to the fund for Other Post-Employment Benefits (OPEB).

The final component to the 2019-2020 First Interim Report is the multi-year projection (MYP). Included with this projection are the main assumptions that form the basis of the District's plan to meet its ongoing operational needs. Secured property tax growth is forecast at six percent and five percent for the two years. We include an increase of three certificated FTE in 2020-2021 and one certificated FTE in 2021-2022 to accommodate continued enrollment growth. There are also plans to expand Middle College in the 2020-2021 school year, which includes two additional certificated FTE and an increase of a classified staff member to full-time, offset in part by payment from Palo Alto Unified School District for participation in the program. A \$500,000 placeholder is included to account for unknown cost increases to Special Education. Health and welfare increases are forecast at ten percent.

We trust you find this First Interim financial report helpful and informative in reviewing the financial state of the District.
