Let's Talk About Sex: How a New Generation Navigates Hookups, Porn, Love & Consent

Tuesday, September 17, 2024 | 7PM | LAHS Eagle Theatre

Orenstein's talk blends her research with voices from a diverse range of genders to explore how media, hookup culture, and evolving views on consent and pleasure shape young people's sexual experiences.

With humor and empathy, she debunks myths and equips parents, educators, and youth with tools for fostering safe, satisfying relationships.
