

Zach Fagin
STUDENT OF THE MONTH
Los Altos High School

April 2022

Junior

Los Altos High School is proud to honor Zach Fagin as our April Student of the Month. It is a privilege to recognize all of his accomplishments at Los Altos High School.

Zach is very accomplished in the athletic world at Los Altos High School. He is a three-sport athlete, with varsity football in the fall, basketball in the winter, and Track and Field in the spring. This past year Zach received sophomore athlete of the year for his well-roundedness, talent, and ability to lead his team. He was also first-team all-league and offensive MVP for varsity football and consistently started for the LAHS Boys Basketball team, and is currently a top-ranked sprinter in CCS for Track and Field. He feels that participating in so many sports at Los Altos has allowed him to grow as a leader and meet his best friends.

In addition to his athletic resume, outside of school, Zach is a part of CERT, also known as the Teen Community Emergency Response Team. He supports his team in educating the public on responding to natural disasters and emergencies safely. He enjoys the Teen Community Emergency Response Team because it allows him to make an impact and keep our community safe.

Something meaningful to Zach was his participation in the Student Advisory Board for Congresswoman Anna Eshoo. The Student Advisory Board is a large group of high school students that discuss their opinions on major issues, with mental health being an example, to give Anna Eshoo a perspective of how our generation views specific topics. This board allowed Zach to make a difference on important issues and gave him a platform to share his beliefs.

Zach enjoys playing more sports in his free time, including football and basketball with friends, hiking, biking, and spending time at the beach. He is very passionate about sports and hopes to continue playing in college.

Congratulations, Zach Fagin, for receiving April Student of the Month and for all of your tremendous success and dedication to giving back to your community and school. We can't wait to see all of the amazing accomplishments coming your way in the near future!
