Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

This annual SPSA update was written by the School Site Council which is comprised of the principal, an assistant principal, two parents, four teachers, one classified staff member, and four students. The School Site Council will approve the SPSA before it is presented to the School Board.

Mountain View High School is currently preparing for our WASC Accreditation midterm review, with our Visiting Team scheduled to join us virtually in April 2022. A comprehensive needs assessment was completed under the WASC self study and has formed the basis of the school's goals contained in the SPSA.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

We continue to offer Chromebooks and hotspots to students with limited WIFI access, who have trouble accessing curricular materials at home.

2019-20 Data:

Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year, thus no data is available to report for this year.

Conclusions based on this data:

1. Over the two year time period the overall ELPAC scores decreased by a mean scale score of 57.1. The Oral Language Mean Scale Score decreased by 47.5 and the Written Language Mean Scale Score decreased by 66.3.
2. The percentage of students at Level 4 decreased by 20.99%. The percentage of students at Level 3 increased by 7.04%. The percentage of students at Level 2 increased by 10.28%. The percentage of students at Level 1 increased 3.67%.
3. The Speaking Domain had the highest percentage of students at the Well Developed level. Both the Reading and Writing Domains have an equal percentage of students at the Well Developed level.

Although both Senate Bill 98 and Assembly Bill 130 suspended the publication of state indicators on the 2020 and 2021 California School Dashboards, these bills also required the reporting of valid and reliable data that would have been included in these Dashboards.

To meet this requirement, CDE has made available the Enrollment, Graduation Rate Additional Report and the College/Career Measures Report data available. All other reports are not available for 2020 and 2021.

This section provides information about the school's student population.

2020-21 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
2257	12.6	7.6	0.2
This is the total number of students enrolled.	This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	This is the percent of students whose well-being is the responsibility of a court.

2019-20 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	172	7.6
Foster Youth	4	0.2
Homeless	18	0.8
Socioeconomically Disadvantaged	284	12.6
Students with Disabilities	227	10.1

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	29	1.3
American Indian or Alaska Native	2	0.1
Asian	522	23.1
Filipino	63	2.8
Hispanic	492	21.8
Two or More Races	228	10.1
Native Hawaiian or Pacific Islander	9	0.4
White	899	39.8

Conclusions based on this data:

- Socioeconomically Disadvantaged students are the largest student group, comprising 12.6% of our student body. The remaining student groups in decreasing order are Students with Disabilities (10.1%), English Learners (7.6%), Homeless (0.8%), and Foster Youth (0.2%).

2. White students are the largest enrollment group by Race/Ethnicity, comprising 39.8% of our student body. The remaining student groups in decreasing order are Asian (23.1%), Hispanic (21.8%), Two or More Races (10.1%), Filipino (2.8%), African American (1.3%), Pacific Islander (0.4%), and American Indian (0.1%).

2019 Fall Dashboard Overall Performance for All Students

Academic Performance	Academic Engagement	Conditions & Climate
English Language Arts  Blue	Graduation Rate  Yellow	Suspension Rate  Green
Mathematics  Blue		
College/Career  Blue		

Conclusions based on this data:

1. Overall, our students are meeting targets in English Language Arts, Mathematics, and College/Career.
2. While the graduation rate at MVHS is higher than the state average, the Dashboard for graduation rate is yellow due to a decrease in the percentage of students who graduated compared to the previous year.
3. The suspension rate is green due to a decrease in the number of suspensions.

166.2 points below standard Declined Significantly -33.4 points 19	4.3 points above standard Increased Significantly ++24.7 points 23	123 points above standard Increased ++7.6 points 274

Conclusions based on this data:

- Our dashboard for All Students for English Language Arts was blue due to being almost 100 points above standard, an improvement from the previous year. Our English Language Learner group improved from the previous year (+12.2 points), but were below standard by 73.2 points. Our Socioeconomically Disadvantaged group maintained their score from the previous year, but the score was 13.5 points below standard. Our Dashboard for Students with Disabilities was in the red due to a decrease in students' scores from the previous year (-24.4) and being below standard by 56.0 points.
- When looking at the student scores for English Language Arts performance by Race/Ethnicity, all groups increased their scores. The Asian and White groups were blue on the dashboard due to improvement in scores and being well above the standard score. The Hispanic group was yellow since they improved their score, but not enough to meet the standard.
- Our Reclassified English Learners did well on the exam, scoring above standard and increasing their score significantly over the previous year. The Reclassified English Learners however, scored almost 120 points lower than the English Only students. Our Current English Learners scores dropped significantly from last year, and their score was 166.2 points below standard.

188.8 points below standard Declined Significantly -46.2 points 17	6.1 points above standard Increased Significantly ++41.1 points 22	85.3 points above standard Increased ++12.4 points 271

Conclusions based on this data:

- Our dashboard for All Students for Mathematics was blue due to being almost 70 points above the standard and improving our score from the previous year. Our English Language Learner group improved from the previous year (+12.8 points), but was below standard by 80.2 points. Our Socioeconomically Disadvantaged group maintained their score from the previous year, which was 50.1 points below standard. Our Students with Disabilities were in the red due to a decrease in student scores from the previous year (-27.7 points) and being below standard by 116.8 points.
- When looking at the scores for students for Mathematics by Race/Ethnicity, all groups improved their scores when compared to the previous year. The Asian and White groups were blue due to improvement in scores and being well above the standard score. The Hispanic group was green due to an improved score, but the score was still 59.2 points below standard.
- The Current English Learner group is a concern since their scores declined significantly (-46.2 points) and they were 188.8 points below standard. Our Reclassified English Learners increased their score significantly (+41.1 points) but they were slightly below standard, and they scored 79.2 points lower than their English Only peers.

Conclusions based on this data:

1. The percentage of All Students prepared for College/Career has remained fairly constant (72% up to 72.5%) over the two-year period.
2. The percentage of EL Students prepared for College/Career remained constant, but was significantly lower (48.7 points) than the All Students group. Both the Socioeconomically Disadvantaged group and the Students with Disabilities group increased their percentage of prepared students by 4.1%. However, both groups had significantly lower percentages of students that were prepared for College/Career than the All Students group.
3. The Asian and White Race/Ethnicity groups had a significantly higher percentage of students who were prepared for College/Career. When compared to the previous year, the Asian group increased their percentage and the White group maintained their percentage. The Hispanic group had a significantly lower percentage of students who were prepared for College/Career, and their number declined by 2.4%.

Conclusions based on this data:

1. The Graduation Rate for the All Students group declined by 2.5%. This decline was caused, in part, by an increased number of newcomer students who were granted a 5th year at MVHS. The Graduation Rate for both the English Learner and Socioeconomically Disadvantaged groups declined over the previous year. The graduation rate increased for the Students with Disabilities group. The Graduation Rates for these three groups were lower than the All Students group.

2019 Fall Dashboard Suspension Rate by Year

2017	2018	2019
	2.5	2.1

Conclusions based on this data:

1. The suspension rate for the All Students group (2.1%) declined by .5% when compared to the previous year.
2. The suspension rate for English Learners stayed the same, but the rate increased for the Socioeconomically Disadvantaged (.6%) and Students with Disabilities (2.6%). All three of these groups had a higher suspension rate than the All Students group.
3. The suspension rate for Asians maintained from the previous year and remained below the All Students (2.1%). The suspension rates for African Americans, Filipinos, Hispanics, Two or More Races, and White all decreased. However, the suspension rates for African Americans (8.3%) and for Hispanics (5.5%) were significantly higher than the All Students suspension rate.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

LEA/LCAP Goal

Goal #1: All students will receive high-quality, 21st century instruction in Common Core and NGSS standards by highly qualified teachers. The instructional environment and overall school climate contribute to full attendance, positive behavior, and opportunities to meet individual academic, social, and emotional needs.

Goal #4: Implement changes to the service delivery system in Special Education to improve students' academic performance and increase student placement in the Least Restrictive Environment (LRE).

Goal 1

From WASC Action Plan Goal: Equity, we will increase positive inclusive interactions and the diversity of all students in the classes.

Identified Need

Respecting diversity is an important value at Mountain View High School. Our vision statement reflects this by stating "We value an equitable and collaborative learning environment in which students and staff respect the diversity of our society". To this end, our goal is to establish systems and processes that support all students so they reach their true potential.

Equity PLC Group	<p>MVHS staff members were given an opportunity to participate in the Equity PLC group and currently 27 teachers are involved. Two of the goals of this group are:</p> <ol style="list-style-type: none"> 1) learn strategies for creating and maintaining equitable learning environments . 2) have teachers gauge their progress in creating an equitable learning environment by using a self-assessment tool. <p>The Equity PLC group is still in relatively new but they are committed to equity and reaching the needs of ALL students.</p>	<p>In the future, the Equity PLC Group will present teachers with strategies for creating and maintaining equitable learning environments. The teachers will later be given a self-assessment tool to gauge their progress towards creating and maintaining an equitable learning environment. The expected outcome for the self-assessment is that 85% of the teachers will report that they have implemented one or more strategies from Equity PLC Group and that their classroom environment is becoming a more equitable learning environment.</p>

Co-taught classes	2 sections of co-taught classes (Algebra I and Survey Comp Lit) for the 2019-2020 school year. We have increased this number for next year.	4 sections of co-taught classes, which would allow Special Education students to access the same curriculum as their mainstream peers and to become more independent so they can successfully take an increased number of mainstream class on their own. Additional co-taught classes will be added in Science and Social Science.

Complete a copy of the Strategy/Activity table for each of the school’s strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

The Special Education students to be served (‘included’ students) are those who:

- * are mild/moderate and,
- * have a subject-specific goal in their IEPs that matches the content of the co-taught course and,

* would otherwise be enrolled in a self-contained, specialized academic instruction (SAI) course taught solely by an Ed Specialist teacher to obtain subject specific minutes and,
* for whom a co-taught course would be the most appropriate least restrictive environment for the student.

Strategy/Activity

Identified Special Education students who can benefit from being provided access to core courses in the general education setting will be enrolled in co-taught classes to ensure an inclusive and least restrictive environment. Doing so helps the district achieve the federal requirement of proportionality of Special Education students included into general education environments.

Proposed Expenditures for this Strategy/Activity

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

Underrepresented students in heterogeneous classrooms will be taught in a more equitable learning environment so they can reach their true potential.

Strategy/Activity

The Equity PLC is designed to support and strengthen inclusive and equitable learning practices while promoting academic achievement and excellence for all students.

The Equity PLC will consist of a cohort of educators that meet to discuss Essential Questions/Topics which will help the teachers improve learning for all of their students.

Proposed Expenditures for this Strategy/Activity

Annual Review

SPSA Year Reviewed: 2020-21

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

The two co-taught classes are providing the academic support the Special Education students need to be successful in a mainstream class. The Equity PLC group is working to help our entire staff examine and then improve their classroom strategies so that all students will be held to high academic standards and will feel that they are important and respected members of their class. Two professional development days were spent examining how Data Zone can help teachers examine the demographics of each of their classes and then monitor the progress of their critical learners.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

None were noted.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We hope to increase the number and subject areas of co-taught classes so more Special Education students will have access to the mainstream curriculum. We will also continue our work with teachers on creating an equitable learning environment for all students by analyzing the data from the teacher self-assessments and then creating additional professional development opportunities as needed. In the near future, Data Zone will synchronize with Aeries so teachers will be able to easily monitor their critical learners' success attaining the curricular learning objectives.

Goal 2

From WASC Action Plan Goal: Culture and Communication, we will increase students' positive and healthy decisions.

Identified Need

Student culture is an important value at Mountain View High School. Our vision statement reflects this in stating that “We value the intellectual, emotional, and physical well-being of our community” and that we want our students to “participate ethically at MVHS and in our greater democratic society”. The basis for this goal is to support our students in making ethical and healthy decisions that positively impact their intellectual, emotional, and physical well-being.

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 2 Other School Staff
- 2 Parent or Community Members
- 4 Secondary Students

Name of Members	Role
Ariele Wildwind	Classroom Teacher
Raylynn Virasak	Classroom Teacher
Nancy Rafati	Other School Staff
Jon Robell	Other School Staff
Ann Eggleton	Secondary Student
Michael Jimenez	Principal
Emily Gupta	Secondary Student
Barbod Vaezeafshar	Secondary Student
Sydney Fung	Secondary Student
Agnes Charrel-Berthillier	Parent or Community Member
Archana Upadhyay	Parent or Community Member
	Principal
	Classroom Teacher

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

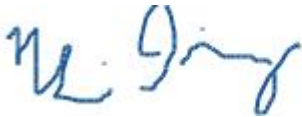

Other: MVHS Administrative Team

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 3/10/2022.

Attested:

Principal, Michael Jimenez on 3/10/2022

SSC Chairperson, Jon Robell on 3/10/2022
