Dear Mike:

We hope the 2024/25 school year was successful for Mountain View-Los Altos Union High School District. In anticipation of the 2025/26 school year, we are pleased to inform you that on January 28, 2026, the State Allocation Board is scheduled to adjust Level I Developer Fees to reflect the RS Means Construction Index. Due to the escalation of construction costs, developer fees are anticipated to increase. It is important that your District keep its Developer Fee Justification Study current; please find attached an agreement to update your study to justify collection of the 2026 fee.
