

# Abby Porter

STUDENT OF THE MONTH

**Mountain View High School**

February 2020

Junior

---

Mountain View High School is proud to present Abby Porter as February's Student of the Month.

Abby is an outstanding student at Mountain View, taking Oracle, Trigonometry, Ap Spanish Literature, US History AP, Ap Environmental Science, and Honors American Literature...a clearly challenging course load. On top of this rigorous schedule, Abby is the student coordinator for Unidos Tutoring Club, as well as works in the tutorial center helping out Mrs. Rafita, where she is working to make the ELD curriculum for the summer school Olimpico. Abby is also in Oracle, where she is the people page editor, as well as an editor for the oracle podcast. On top of all of these incredible activities, Abby manages to find time to be a part of the Ambassadors Club.

Outside of school, Abby is an intern at the Los Altos Town Crier, which speaks to her passion for writing. She is also in Girl Scouts where she is the co-president of her scout troop. They often go backpacking, and recently went snow camping. In whatever free time she has, Abby enjoys spending time with her family, and she is extremely grateful for their love and support. In the future, Abby hopes to study Spanish, political science, and education, so that she can become a teacher and one day go into education policy.

Congratulations to Abby Porter, February's Student of the Month for Mountain View High School.
