

Maily Juarez

STUDENT OF THE MONTH

Los Altos High School

December 2019

Senior

Congratulations to Maily Juarez, Los Altos High School's December Student of the Month! We are proud to recognize Maily for her passionate attitude and her dedication to her activities.

At school, Maily is an active member of Latino Student Union and is currently the dance choreographer. She has been a part of LSU for all four years of high school. Maily loves to choreograph the LSU dances, including those for Dia de Los Muertos, the Latino Awards, Cinco de Mayo, and the Diversity Assembly. She is also an AVID Tutor and really enjoys helping other students and being a role model for them. Maily spends a lot of her time outside of school playing sports. She has been on the school soccer team for two years, the track and field team for four years, and the cheer team for one year.

During the summer, Maily has also volunteered with Stretch to Kindergarten and Kick, Lead, and Dream. STK is a program at Foothill College that prepares children and their families for a smooth transition into kindergarten, while Kick, Lead, And Dream is a summer camp where high school volunteers help at-risk and low income children improve their soccer skills and gain confidence and leadership qualities.

In school, Maily's favorite subject is math. She hopes to become a math teacher in the future, so she can continue helping other students learn. Despite being away from her mother and sisters who are currently in New Jersey, she continues to persevere in school and focus on her future as a first generation college student. Maily is extremely dedicated to what she does and is an amazing presence to have on campus, and for that we are proud to present her as Los Altos High School's December Student of the Month. Congratulations!
