Luggage and Airline Travel:

Here are luggage guidelines set by Perform International for your journey. These are different from airline guidelines.

- Checked Items: You are allowed only ONE CHECKED SUITCASE (due to limited luggage space on motor coaches). **Luggage Dimensions:** No greater than 50 pounds and 54 linear inches *NOTE: Linear inches = length + width + depth (measured in inches).*
- Carry-on Items: You are allowed to carry on ONE BAG (small suitcase or small instrument) and one personal item (purse, briefcase, laptop computer, camera bag, etc.). BUS LUGGAGE STORAGE SPACE IS LIMITED.

Packing light:

You are encouraged to pack light for these reasons:

- **Less to carry**: You will be responsible for moving your luggage.
- **No overage fees**: Airlines charge hefty overage fees for bags over the 50-pound limit. Plan to weigh your bag before you travel to avoid these fees.
