

# Margaret Lint

STUDENT OF THE MONTH

**Mountain View High School**

September 2024

---

Mountain View High School is proud to recognize Margaret Lint as our August 2024 Student of the Month, recognized for her exceptional dedication to leadership, community service, and school spirit.

As a senior at MVHS, Maggie has spent three years in the Associated Student Body (ASB), where she has embraced roles such as PR Committee Member, Junior Class Secretary PR, and currently, Rally Spirit Coordinator. Her leadership extends into several other areas on campus, where she plays an active role in the Peer Counseling Program, the Spartan Buddies Club, and the Women's Empowerment Club. Through these positions, she works to create a positive, supportive environment for her peers, advocating for mental health awareness, friendship, and empowerment among students.

Athletically, Maggie has been a committed member of the water polo team for three years and is now entering her fourth season with the MVHS lacrosse team. Her dedication to sports demonstrates her strong work ethic, resilience, and teamwork—qualities she brings into all aspects of her life.

Outside the classroom, Maggie continues to lead an active life. She has played club lacrosse for eight years and has been a dedicated member of the National Charity League for the last seven years, underscoring her commitment to both athletics and community service. During the summer, she attends a leadership camp in Canada, where she recently completed a Counselor in Training program. She is excited to return next year as a full-time staff member, spending eight weeks mentoring and guiding young campers, helping them develop confidence and leadership skills.

Looking back on her time at MVHS, Maggie cherishes many memorable moments, such as organizing this year's back-to-school rally, competing on the Varsity lacrosse and water polo teams, and building lasting friendships across different classes, teams, and clubs. The supportive and encouraging environment at MVHS has played a significant role in shaping her as a leader and a student.

Looking to the future, Maggie is eager to pursue her academic journey at a university, where she plans to study Business Marketing and Psychology. She is excited to explore new opportunities, embrace new challenges, and continue her personal growth.

Maggie's energy, passion, and positive impact make her a truly deserving recipient of the MVHS September Student of the Month award.
