# Career Technical Education (CTE)

## MVLA Awarded \$1.9 Million Golden State Pathways Grant to Expand Career and Technical Education Programs

Four-year grant, running through the 2028-2029 school year, will strengthen and expand CTE opportunities across all campuses and supporting multiple CTE pathways:

- **Mountain View High School** – Patient Care, Engineering Technology, and the newly introduced Digital Communications pathway
- **Los Altos High School** – Engineering Technology and the newly introduced Digital Communications pathway
- **Alta Vista High School** – Career programs that provide students with hands-on training and workforce preparation
- **Silicon Valley CTE Partnership** – Expanded collaboration to offer additional career-focused educational opportunities

# Family Partnership Council

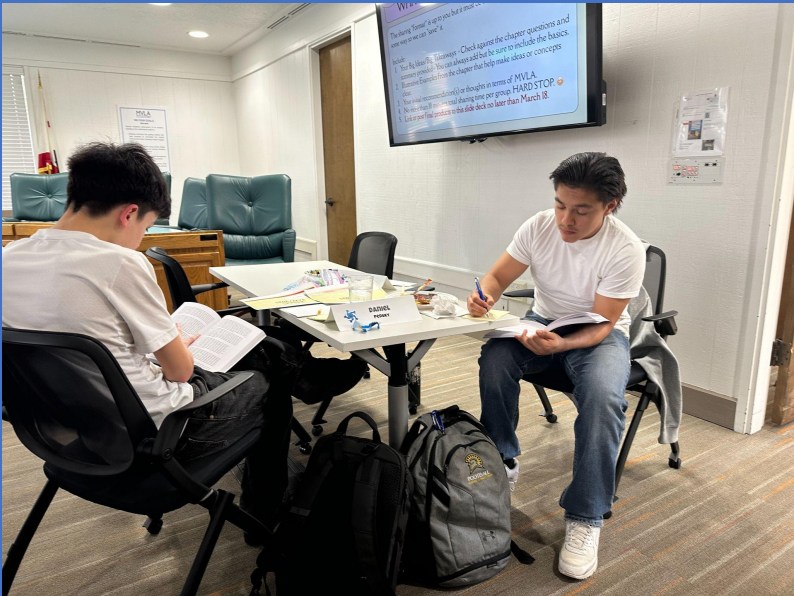

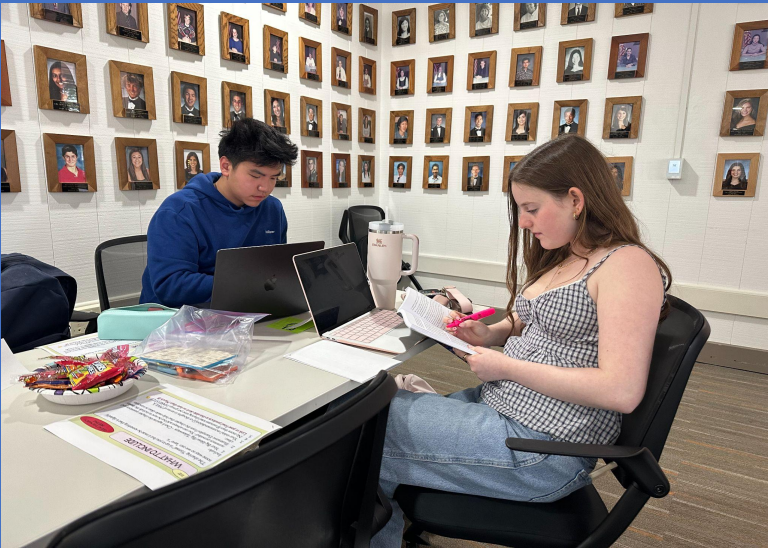

## FEBRUARY MEETING HIGHLIGHTS

- The Council reviewed the Trustee Area Maps under consideration
- They participated in an experiential learning exercise with Tim Farrell and Taica Hsu from the MVLA Instructional Support Team (IST), who provided an overview of the instructional approach that all staff at MVLA have been engaged in learning and implementing over the past two years.
