June 9, 2025

MOUNTAIN VIEW LOS ALTOS HIGH SCHOOL DISTRICT

To: Superintendent and Board of Trustees

Subject: 2025-2026 Budget

Date: June 9, 2025

The 2025-2026 budget is submitted for your approval. This budget is once again based on the most current information and the best estimates. As a community funded district, local property taxes continue to be the driver of the budget and account for eighty-one percent of all revenue. Secured property tax growth is forecast to be five percent which reflects the positive, but slowing, residential and commercial assessed valuations that are within the district boundaries as well as Santa Clara County-wide. Statewide, the Local Control Funding Formula (LCFF) is at full implementation levels in 2025-2026 but does not add any revenue to the district's budget. MVLA continues to receive \$2.9 million in Minimum State Aid, which is the residual amount of former categorical dollars that were decreased by the "fair share" reduction in 2012-2013.

The MVLA Education Foundation is continuing their support of our students by providing an annual pledge of \$2,169,500, which is down slightly from prior years. The District budget includes \$4.7 million in revenue from the City of Mountain View Shoreline Community Educational Enhancement Reserve, which is above the guaranteed minimum. The State Education Protection Account (Proposition 30) provides \$845,000 in annual revenue. Other state and federal revenue continue at similar levels to the prior year, adjusted by the state-calculated cost-of-living adjustment (COLA) of 2.30%.

General Fund expenditures reflect an adjustment in certificated and classified positions as a result of enrollment changes, an increase in Special Education services, and a focus by the District to support programs directed at increasing the academic performance of all students. Negotiations with the District Teachers' Association (DTA) for 2024-2025 has been completed, but not yet ratified at the time of this budget. Negotiations with the California School Employees Association (CSEA) has yet to begin. Therefore, no salary schedule improvements are included at this time. Any changes will be reflected in the First Interim budget report. Employer-paid pension costs for the California State Teachers' Retirement System (CalSTRS) remain steady at 19.1 percent, while the California Public Employees' Retirement System (CalPERS) costs will see a slight decrease with the required contribution for 2025-2026 being 26.81 percent.

This budget also includes the other funds, outside the General Fund, which are an integral part of the District's finances. During the 2015-16 school year, the state returned to directly funding Adult Education programs through the Adult Education Block Grant. MVLA will receive \$4.557 million in base funding for the 2025-2026 budget year. Additional Adult Education revenue comes from federal grants and fee-based programs.

The Cafeteria Fund no longer requires a General Fund contribution due to ongoing State funding to support the mandated universal meals program. The Special Reserve Fund for Other Post-Employment Benefits (OPEB) has sufficient funds to cover the actuarial accrued liability as calculated in the most recent actuarial study of retiree health liabilities.

The Building Fund maintains a fund balance to cover a facility emergency. Measure E bond funds in the current budget year will primarily be expended on modernization and facility repair projects. The Capital Facilities Fund uses revenue collected from developer fees to pay debt service for the Alta Vista High School campus buildings and additional facilities throughout the district to accommodate enrollment growth.

The final component to the 2025-2026 budget is the multi-year projection. Included with this projection are the main assumptions that form the basis of the District's plan to meet its ongoing operational needs. Secured property tax growth is forecast at five percent in 2026-2027 and five percent in 2027-2028. A small enrollment growth increases certificated staffing by one full-time equivalent (FTE) in 2026-2027 and no change in 2027-2028. The District includes a placeholder of \$200,000 to account for anticipated, but yet to be identified, non-personnel cost increases to special education. Health and welfare increases are forecast at five percent.

A legislative requirement of the 2025-2026 budget is to identify the dollar amount of reserves that are above the state-required three percent minimum. This calculation includes General Fund and Special Reserve Other (Fund 17) assigned and unassigned ending balances. There is an additional page of documentation that details this calculation and provides justification for the district's reserves which are based on Board Policy 3100.

We trust you find this Budget Report helpful in reviewing the financial state of the district and determining its ability to maintain fiscal stability into the future.
