

Kristin Landaverde
STUDENT OF THE MONTH
Mountain View High School
December 2020

Senior

Mountain View High School is proud to present senior, Kristin Landaverde, as our December Student of the Month. It is an honor to recognize her many contributions to the Mountain View community.

At Mountain View High School, Kristin holds leadership positions in many clubs and organizations. Kristin is PR and Network manager of the Gen.She Club - a branch of the non-profit Gen.She that focuses on closing the gender gap in entrepreneurship. In her role, she markets the organizations and recruits others to join as members. Kristin is also a student ambassador and a part of the MVCares committee, that works with counselors, teachers, and other students to organize baskets of clothes and supplies for families in need. Kristin helps those receiving the baskets organize their wish-lists and also collects donations to get supplies to fill the baskets herself.

Additionally, Kristin is an ELD tutor and translator for the ELD advisory class. In her work translating materials, offering academic support, giving tours, and visiting middle schools, Kristin hopes to make ELD students and families more aware of the many support resources available at Mountain View High School.

Outside of MVHS, Kristin is also involved in youth group at her church, where she organizes seasonal festivals, helps during mass, and teaches communion classes to children during the week. Kristen has tutored a kindergartener and has interned with a tax lawyer, helping her understand the workspace of an attorney. After majoring in political science or sociology, Kristin aspires to attend law school.

Kristen has been described by her teachers as a "selfless and empathetic leader", and undoubtedly deserves to be our student of the month! Congratulations Kristen!
