

Isaac Tesfaye
STUDENT OF THE MONTH
Los Altos High School
January, 2020

Junior

Congratulations to Isaac Tesfaye, Los Altos High School's January Student of the Month! We are proud to recognize Isaac for his devotion and involvement in a variety of activities.

At school, Isaac is a member of the Talon, Los Altos High School's student-led newspaper. He is a first-year videographer, meaning he uses video and other media to cover interesting stories for the school and community. Isaac also serves as the treasurer of the Personal Finance and Investment Club. Through this club, he has learned to analyze the stock market and learn about different business strategies. Isaac hopes to go on to study business in college - specifically marketing or music business.

After school, Isaac spends a lot of time running. He has been on both the Cross Country and Track and Field teams for several years. Isaac also dedicates hours each week to a volunteer group called Buddies4Math. He has been tutoring elementary school students in math for 5 years and is a part of the organization's leadership team.

Outside of school, Isaac spends his time pursuing his various interests, including music and fashion. Isaac not only enjoys listening to music and going to concerts, but he also plays the piano and creates his own music with his friends, which he publishes on his SoundCloud. In addition, Isaac's passion for sneakers and fashion in general has led him to buy and resell clothes and shoes.

Isaac is super passionate about what he does, and for that we are proud to present him as Los Altos High School's January Student of the Month. Congratulations!
