New Course Proposal Form

New courses may be considered by the Board of Trustees for the following school year. Proposals must be submitted to the District Office by November 4, 2022. Course proposals will be considered by the Board in November. Please submit form to Teri Faught, teri.faught@mvla.net in Education Services.

Proposed Course Name: Business Management I
Department: CTE
School Site: MVHS

1. What A-G and/or graduation requirements would this course satisfy? **Yes** If course is eligible for A-G, has the course been approved? **Yes**
2. What is the rationale for this course? **To offer a Business Pathway for CTE at MVHS. We would like to offer students a course on the fundamentals of Business to explore opportunities in their chosen field. This aligns with our District goals to offer more CTE courses on campus.**
3. What student population is likely to be served by this course? **All students grades 9-12 will be able to enroll in the course.**
4. What value will this course add to the educational experiences of our students? **It will be a "g" elective and we are currently working to offer it as a dual enrollment course.**
5. Is this course part of a sequence? **This will be the concentrator course for the Business Pathway.**
6. How was it determined that there is a demand for this course? **We completed a survey last year to understand if students would be interested.**
7. How many sections of the course are anticipated for the first year it is offered? **One** How many in years 3-5? **Three**
8. What is the possible impact of this course on other courses and/or the master schedule? **This will not impact our Master Schedule as we have currently reduced the number of remedial courses we are offering.**
9. Other than section allocation, are there other budget impacts, such as for textbooks, equipment, materials, etc.? **No**
10. Is there other pertinent information not addressed in the responses above that would support the approval of this course? **We would like to build a Business pathway at our site for students that want to use what they learn and apply it in a variety of fields.**
