

MVLA
New Course Proposal Form

New courses may be considered by the Board of Trustees for the following school year. Proposals must be submitted to the District Office by November 4, 2022. Course proposals will be considered by the Board in November. Please submit form to Teri Faught, teri.faught@mvla.net in Education Services.

Proposed Course Name: Architectural Design II
Department: TED
School Site: MVHS

1. What A-G and/or graduation requirements would this course satisfy? **Yes** If course is eligible for A-G, has the course been approved? **Yes**
2. What is the rationale for this course? **To offer a capstone Architectural Design II course at MVHS. We would like to offer students a course to support our 3 sections of Architectural Design I to explore opportunities in their chosen field. This aligns with our District goals to offer more CTE courses on campus.**
3. What student population is likely to be served by this course? **All students grades 10-12 will be able to enroll in the course.**
4. What value will this course add to the educational experiences of our students? **It will be a "g" elective and we are currently working to offer it as a dual enrollment course.**
5. Is this course part of a sequence? **Yes it will be a capstone course for the Architectural Design pathway.**
6. How was it determined that there is a demand for this course? **We reviewed the current 3 sections of the level one course and believe we could add a capstone course this year.**
7. How many sections of the course are anticipated for the first year it is offered? **One** How many in years 3-5? **One**
8. What is the possible impact of this course on other courses and/or the master schedule? **This will not impact our Master Schedule as we have currently reduced the number of remedial courses we are offering.**
9. Other than section allocation, are there other budget impacts, such as for textbooks, equipment, materials, etc.? **No**
10. Is there other pertinent information not addressed in the responses above that would support the approval of this course? **Yes we are trying to build a full pathway for Architecture Design that meets the pathway requirements for the state.**
